The Ugandan Thunder African Children's Choir

A Great Night of Worship, Fellowship & Missions

Please join in a night of Celebration with the “Ugandan Thunder Children’s Choir”. You will thrill to the music and dancing of the “Ugandan Thunder Children’s Choir from Africa”, a nationally acclaimed choir consisting of 22 multi-talented children. The choir members range in age from 8—16, and are from the Royal School & Orphanage in Uganda, East Africa. The choir will sing some of your favorite songs both in African & American styles. The concert is packed with high energy music, dancing, and interaction with the audience.

The Ugandan Thunder Tour is sponsored by Pennies for Posho, a non-profit Christian ministry that provides food, clothing, shelter and clean drinking water for 18 orphanages in Uganda. A freewill offering will be received that night for Pennies for Posho. A booth will also be set up that gives opportunity to purchase items that support their ministry or to sign up to sponsor an orphan.
